General	Section
-----	I
List	II

I. GENERAL.—1. In accordance with the provisions of WD Circular 56, 1946, the units listed in section II below were designated by theater commanders as having participated in an amphibious or airborne assault landing.

2. When entering individual credit on officers' qualification cards (WD AGO Forms 66-1 and 66-2) or on service record of enlisted personnel (WD AGO Form 24A), this general orders may be cited as authority for such entries for personnel who were present for duty as a member of or attached to a unit listed herein and who actually participated in the landings named. (Attention is directed to the requirement that only one bronze service arrowhead may be worn on a theater ribbon, regardless of the number of assault landings credited to a unit in that theater.)

3. Under the provisions of paragraph 7, WD Circular 56, 1946, the designation of a combat assault landing is determined upon the approval of the theater commander, and eligibility of individuals to wear the bronze service arrowhead is established by this approval.
